CONSTRUCTION METER # _____

Meter Information

- The construction meter will be issued for *temporary* construction purposes only and will remain property of the City of Watford City.
- The construction meter **must be returned to the City** after project completion or at the end of the calendar year.
- Please be advised: if the meter or any of its parts are returned to the City in an unacceptable non-working order, additional fees will be applied to the final bill.
- The construction meter will be read periodically and usage will be tracked.
- Construction meters require a deposit of \$2,000.00 to be paid by *cash* or *credit*.
- The amount of usage will be billed at the base rate of \$200.00 plus an additional \$35.00 per 1,000 gallons. This amount will be deducted from the \$2,000.00 paid deposit.
- Any remaining balances from the deposit will be refunded or billed after the deduction of usage.
